# ETHAN CLEMINSON

Horsham, West Sussex ● ethan.cleminson@gmail.com ● 07428 363390

## PROFILE

Motivated A-level student studying Maths, Further Maths and Computer Science, with a strong aptitude for maths and physics (GCSE Maths 9, Further Maths 8, Physics 8) and a genuine interest in electronics and programming. Seeking an Electrical Engineering Degree Apprenticeship to combine academic study with hands-on, real-world engineering experience. Gained practical technical problem-solving experience in an IT support environment, learning to diagnose issues logically, work to deadlines and explain solutions clearly. Quick to learn new systems, reliable under pressure and keen to contribute to a team. Having lived across three continents, I adapt easily to new environments and get on well with people from all backgrounds.

**Seeking an Electrical Engineering Degree Apprenticeship**

**Full UK driving licence**

## KEY SKILLS

| | | |
|---|---|---|
| Analytical problem solver | Adaptable team player | Quick learner |
| Maths & Further Maths | Advanced IT skills | Electronics & programming |

## EDUCATION

**The College of Richard Collyer** | Horsham, West Sussex, UK | *08/2025 – Present*

- Studying 3 A-levels: Maths, Further Maths, Computer Science (Predicted grades: ABB).

**The Forest School** | Horsham, West Sussex, UK | *07/2023 – 07/2025*

- Awarded 10 GCSEs, including Maths (9), Further Maths (8), Physics (8) and English Language (7).
